

# IEEE Conference Library Plus

IEEE *Xplore*<sup>®</sup> Digital Library Subscription Option

## Stay competitive with the newest IEEE conference research

IEEE Conference Library Plus provides unlimited, full-text access to all IEEE conference research published in the current year and previous two years, plus 500 document downloads to view other articles from the IEEE *Xplore* digital library. Stay on top of emerging technologies with access to the leading research used by today's most innovative companies.

## IEEE Conference Library Plus delivers key benefits for your research team:

- **Drive new ideas**, designs and applications with cutting-edge research
- **Develop better solutions faster** by understanding the technology landscape
- **Stay ahead of advancements** and benchmark competitor research
- **Increase productivity** by reviewing previous research so you don't reinvent the wheel
- **Accelerate innovation** with convenient access to proven research all in one place
- **Share vital information** with a company-wide online file cabinet

## Collaborate with the IEEE *Xplore* file cabinet

See what your colleagues are reading and share downloaded documents by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download—making it easy to collaborate and fuel innovation.

Note: The shared file cabinet stores a maximum of 10,000 documents
