IEEE *Xplore*® Digital Library Subscription Option

Superior technology research—and a subscription that grows with your company

Advance innovation with the IEEE *Xplore* digital library subscription designed for organizations with growing research needs. IEEE Enterprise provides access to technology's most trusted research—from IEEE, and other highly regarded publishers—with **flexible pricing levels** that meet the needs and budget of companies of any size.

IEEE Enterprise delivers key benefits for your research team:

- **Drive new ideas**, designs and applications with cutting-edge research
- **Develop better solutions faster** by understanding the technology landscape
- **Stay ahead of advancements** and benchmark competitor research
- **Increase productivity** by reviewing previous research so you don't reinvent the wheel
- **Accelerate innovation** with convenient access to proven research all in one place
- **Share vital information** with a company-wide online file cabinet

Collaborate with the IEEE *Xplore* file cabinet

See what your colleagues are reading and share downloaded documents by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download—making it easy to collaborate and fuel innovation.

Note: The shared file cabinet stores a maximum of 10,000 documents
